Preserving Nature's Beauty

Welcome

For more than 48 years, Safari Taxidermy has shared in the excitement and passion of hunters from all around the world. We're proud to have earned the trust of so many returning clients who know that our work captures not just the animal - but the spirit of the hunt itself.

Allow us to make the entire taxidermy process easy and uncomplicated whether you are a first time hunter or a return client. May we exceed your biggest expectations and give you a memorable, lasting impression. Choosing us give you the opportunity to fulfill your reality into a long-lasting memory as displayed in our exquisite taxidermy work.

Each mount we create is more than a trophy. It's a story - a memory brought to life through craftsmanship, detail, and heart.

Expert Wildlife Taxidermy Services

Bringing Your African Hunting Memories to Life

At Safari Taxidermy, we provide expert taxidermy services with friendly, efficient communication and exceptional attention to detail. From the moment your trophies arrive, they are carefully inspected, tagged, and logged with a unique client order number, ensuring each item is securely tracked and correctly identified throughout the entire

process. With multiple quality control checkpoints, we guarantee that your trophies will arrive at their final destination in pristine condition.

Once checked in, we'll contact you to finalize your order, and you'll receive regular updates and full support from our team throughout the entire process.

Full-Service Taxidermy Options

Whether you're preserving a single animal or a full collection, our specialized services ensure your hunting memories are preserved and presented beautifully:

- Shoulder Mounts
- Wall Pedestal Mounts
- Skull Mounts
- Artwork on skulls
- Full Mounts
- Half Mounts
- Custom Pedestal Mounts

You can also choose to have your skins tanned into fur or leather, or opt for unique hand-crafted items such as:

- Gun bags & travel bags
- Wallets, handbags, and belts
- Custom decor & furniture: ottomans, lamp stands, and more - all crafted from ethically sourced animal materials. Each piece is designed to reflect the elegance and authenticity of the African wildlife experience.

Dip & Pack Service

If you prefer to have your trophies mounted in your home country, we offer a professional Dip and Pack service. This includes:

- Cleaning and preserving all skins and skulls
- Preparing trophies according to International veterinary regulations
- Ensuring your trophies are safely and legally ready for export

We take care of all paperwork and preparation to make the shipping process seamless and fully compliant.

Measuring, Packing & Export Process

Safari Taxidermy is proud to be official SCI (Safari Club International) and Rowland Ward measurers, ensuring accurate and recognized trophy measurements upon request.

When your order is complete:

- You'll receive a final invoice
- Your trophies will be professionally crated in custom-made wooden boxes that comply with International packaging standards
- Photos of your completed trophies can be provided upon request before shipping
- Export permits will be applied for on your behalf (once we receive all necessary documentation from your outfitter)

Please make sure your outfitter supplies us with your physical/residential address and a copy of your passport.
